Dear Oakland A's Boosters...

The season has started off with a bang. The A's are hanging around 1st place with our best start in years. Even with the injuries plaguing us, we are still hanging in there. We have several young talented players that are playing very well and it is always fun to see Rajai run. There's nothing like stealing a run here or there. Its great seeing you at the games and I look forward to seeing you at the next Luncheon and at the games.

*Sincerely yours,
Don Promes*
